ACCESSIBILITY SOLUTIONS

# Residential and Commercial Vertical Platform lift

The AmeriGlide Hercules Vertical Platform Lift is a compact and powerful lift designed for the harsh North American climates. The Hercules model provides the user with a seamless and safe experience. A series of safety features including; emergency stop buttons, emergency lowering hand-wheel and safety detection sensors offer the peace of mind when operating the lift.

The Hercules Vertical Platform Lift has been designed, developed and manufactured to B-613, B-355 and ASME 18.1 regulation.

More detailed information is readily available by contacting your Authorized AmeriGlide Dealer.

## EASY AND SIMPLE

With our qualified technicians, your platform lift can be installed quickly and safely.

## SEAMLESS INTEGRATION

Integration is quick and simple as a result of not needing a mechanical room, drain or overhead clearance.

## PEACE OF MIND

Manufactured in North America, it meets CSA-B613 B355-15, ASME 17.1, ASME 18.1 giving you the peace of mind whatever the application.

# Elegance, Performance and Safety
